LaNelle Utter

Key Account Senior Manager

Shakopee, Minnesota | August 2015

Midwest Industrial Coatings Inc would like to welcome LaNelle Utter as our most recent addition. LaNelle has enjoyed a positive relationship with MICI for years, as she comes to us from our valued partner, Polaris. While this is the first time she is working for MICI, she is already plenty familiar with our company and standards, and looks to make an immediate impact as a Key Account Senior Manager.

LaNelle brings a lot to the table, as she has been working for nearly 25 years at Polaris most recently as an Engineering Project Leader. She holds a Mechanical Drafting Degree from Moorhead Technical College. Her areas of experience include color management, manufacturing processes, paint and plastic raw materials, adhesive films and application processes. LaNelle also has extensive knowledge of component and assembly structure, as well as hydrographic processes.

Throughout her career, LaNelle has learned that she is a team-oriented player who enjoys her work most when she can help others succeed, exercise unconventional problem solving and exceed expectations.

LaNelle is a lifelong resident of Greenbush, Minnesota, where she loves spending time with

family. Her continued residence in Greenbush has led her to love local high school sports, particularly softball, which she can't get enough of watching and talking about.

Depending on the time of year, you can find LaNelle either camping or snowmobiling, shooting pool as a member of her league, enjoying an afternoon on the lake or sitting down to devour NFL games. Interested in staying on her sweet side? Try licorice.

LaNelle is an active volunteer in her Church, a member of the Ladies Ministry Group and teaches Sunday School. In the past she was also a Youth Leader and Praise/Worship Leader.

LaNelle, welcome to Midwest Industrial Coatings Inc! We are thrilled to have you aboard!

Midwest Industrial Coatings, Inc. is a privately held company established in 1985 and based in Shakopee Minnesota. MICI is a Specialty Coatings Solutions Provider. In addition to supplying coatings, MICI provides Tier I services to its customers and suppliers throughout North America, and the Pacific Rim. MICI manages customer supply chains, compliance efforts, application processes, color development and R&D functions in industries such as Agriculture, Automobile Sub Supply, Construction, Marine, Recreational Vehicle, General Industrial and Heavy Machinery.
